

Randy Wexter utilizes the **V1 Pro Swing Analysis System** and his Golf Academy at SPG Green Garden Country Club is a **V1 Golf Academy**.

V1 Pro is the #1 video swing analysis system in golf. From local golf pros to top PGA instructors, thousands of golfers' swings are analyzed and improved each year using V1 Pro. Through a partnership with the PGA of America, V1 Pro has become the most preferred swing analysis system of America's Top 100 Golf Instructors as well as the world's best tour players, golf courses, and academies. As a student at Green Garden Golf Academy, you are automatically a member of the V1 Golf Academy and can send/receive video to/from Randy. Many PGA Tour players use the very same V1 Golf Academy to send swing videos to their coaches while on tour. As a V1 Golf Academy, we provide video lockers via our website so you have the ability to view the collection of your video lessons.
